I love the Stoup Brewing story which added to my enjoyment of Stoup Brewing in Seattle, Washington. So, I tried the Azacca Pale and the Citra IPA and from that point on have been trying to figure out how I can get this beer at home in Maryland. Given the option I'd make this my go-to IPA. And I'd serve the Azacca Pale to all my friends all the time. I wish I could have stayed and enjoyed more.
